

MiFID II Product Governance / Professional investors and ECPs only target market – Solely for the purposes of the manufacturer’s product approval process, the target market assessment in respect of the Notes has led to the conclusion that: (i) the target market for the Notes is eligible counterparties and professional clients only, each as defined in Directive 2014/65/EU (as amended, “MiFID II”) and (ii) all channels for distribution of the Notes to eligible counterparties and professional clients are appropriate. Any person subsequently offering, selling or recommending the Notes (a “distributor”) should take into consideration the manufacturer’s target market assessment. However, a distributor subject to MiFID II is responsible for undertaking its own target market assessment in respect of the Notes (by either adopting or refining the manufacturer’s target market assessment) and determining appropriate distribution channels.

**PROHIBITION OF SALES TO EEA RETAIL INVESTORS – The Notes are not intended to be offered, sold or otherwise made available to, and should not be offered, sold or otherwise made available to, any retail investor in the European Economic Area (the “EEA”). For these purposes, a retail investor means a person who is one (or more) of: (i) a retail client as defined in point (11) of Article 4(1) of MiFID II or (ii) a customer within the meaning of Directive (EU) 2016/97 (as amended), where that customer would not qualify as a professional client as defined in point (10) of Article 4(1) of MiFID II. Consequently, the Issuer has not prepared a key information document required by Regulation (EU) No 1286/2014 (as amended, the “PRIIPs Regulation”) for offering or selling the Notes or otherwise making them available to retail investors in the EEA and therefore offering or selling the Notes or otherwise making them available to any retail investor in the EEA may be unlawful under the PRIIPs Regulation.**

**PROHIBITION OF SALES TO UK RETAIL INVESTORS – The Notes are not intended to be offered, sold or otherwise made available to and should not be offered, sold or otherwise made available to any retail investor in the United Kingdom (“UK”). For these purposes, a retail investor means a person who is one (or more) of: (i) a retail client, as defined in point (8) of Article 2 of Regulation (EU) No 2017/565 as it forms part of domestic law by virtue of the European Union (Withdrawal) Act 2018 (“EUWA”); (ii) a customer within the meaning of the provisions of the Financial Services and Markets Act 2000 (as amended, the “FSMA”) and any rules or regulations made under the FSMA to implement Directive (EU) 2016/97, where that customer would not qualify as a professional client, as defined in point (8) of Article 2(1) of UK MiFIR. Consequently no key information document required by Regulation (EU) No 1286/2014 as it forms part of domestic law by virtue of the EUWA (the “UK PRIIPs Regulation”) for offering or selling the Notes or otherwise making them available to retail investors in the UK has been prepared and therefore offering or selling the Notes or otherwise making them available to any retail investor in the UK may be unlawful under the UK PRIIPs Regulation.**

**PROHIBITION OF SALES TO CONSUMERS – The Notes are not intended to be offered, sold or otherwise made available, and will not be offered, sold or otherwise made available, by any Dealer to any “consumer”(consument/consommateur) within the meaning of the Belgian Code of Economic Law (*Wetboek van economisch recht/Code de droit économique*), as amended.**

- (i) Admission to trading: Application has been made by the Issuer (or on its behalf) for the Notes to be admitted to trading on Euronext Brussels with effect from the Issue Date.

### 2 RATINGS

The Notes to be issued are expected to be rated: S&P Global Ratings Europe Limited (“**S&P**”): A-  
Moody’s France S.A.S. (“**Moody’s**”): Baa1  
Fitch France S.A.S. (“**Fitch**”): A

S&P is established in the EU and registered under Regulation (EU) No 1060/2009 (as amended, the “**CRA Regulation**”). As defined by S&P, an ‘A’ rating means that the obligations of the Issuer are more susceptible to the adverse effects of changes in circumstances and economic conditions than obligations in higher-rated categories. However, the Issuer’s capacity to meet its financial commitments on the obligation is still strong. The addition of a plus (+) or minus (-) sign shows the relative standing within the major rating categories.

Moody’s is established in the EU and registered under the CRA Regulation. As defined by Moody’s, a ‘Baa1’ rating means that the obligations of the Issuer under the Notes are judged to be medium-grade and subject to moderate credit risk and as such may possess certain speculative characteristics. The modifier 1 indicates that the obligation ranks in the higher end of its generic rating category; the modifier 2 indicates a mid-range ranking; and the modifier 3 indicates a ranking in the lower end of that generic rating category.

Fitch is established in the EU and registered under the CRA Regulation. As defined by Fitch, an ‘A’ rating indicates that in respect of the obligations of the Issuer under the Notes expectations of credit risk are currently low. The capacity for payment of financial commitments is considered strong. This capacity may,

nevertheless, be more vulnerable to adverse business or economic conditions than is the case for higher ratings.

A security rating is not a recommendation to buy, sell or hold securities and may be subject to suspension, reduction or withdrawal at any time by the assigning rating agency.
