FINAL TERMS dated 15 September 2025

MIFID II product governance / Retail investors, professional investors and ECPs target market – Solely for the purposes of the manufacturer's product approval process, the target market assessment in respect of the Warrants has led to the conclusion that: (i) the target market for the Warrants is eligible counterparties, professional clients and retail clients, each as defined in Directive 2014/65/EU (as amended, "MiFID II"); and (ii) all channels for distribution of the Warrants are appropriate, including investment advice, portfolio management, non-advised sales and pure execution services. Any person subsequently offering, selling or recommending the Warrants (a "distributor") should take into consideration the manufacturer's target market assessment. However, a distributor subject to MiFID II is responsible for undertaking its own target market assessment in respect of the Warrants (by either adopting or refining the manufacturer's target market assessment) and determining appropriate distribution channels, subject to the distributor's suitability and appropriateness obligations under MiFID II, as applicable.

Any person making or intending to make an offer of the Warrants may only do so:

- (i) in those Public Offer Jurisdictions mentioned in Paragraph 7 of Part B below, provided such person is a Dealer or Authorised Offeror (as such term is defined in the Base Prospectus (as defined below)) and that the offer is made during the Offer Period specified in that paragraph of Part B and that any conditions relevant to the use of the Base Prospectus are complied with; or
- (ii) otherwise in circumstances in which no obligation arises for the Issuer or any Dealer to publish a prospectus pursuant to Article 3 of the Prospectus Regulation or pursuant to any relevant national regulation of any EEA member state, or to supplement a prospectus pursuant to Article 23 of the Prospectus Regulation or pursuant to any relevant national regulation of any EEA member state, in each case, in relation to such offer.
