

# Neon

Developed for you,  
now and in the future.

Securities Services.  
Moving forward together.

## Your portfolio available on any device

Innovation and transformation go hand in hand. With Neon, we are pleased to offer you a fast and intuitive online tool that gives you access to your portfolio at any time of the day and from any device (PC, tablet, mobile).

## Monitor your costs

KBC Securities Services is strongly committed to cost transparency as costs directly affect your return. That is why we inform you clearly about the costs and taxes that apply to your transactions. You also receive an estimate of their impact on your return, displayed both as an absolute amount and as a percentage.

## Discover Neon

Curious to see what Neon looks like in practice? The next pages in this brochure highlight the key features that help you manage your portfolio efficiently.

Neon is an online tool that allows you to consult your portfolio online and to create all kinds of relevant reports. The tool is made available free of charge by KBC to its clients in the segment of portfolio management by third-party asset managers and customers of family offices. KBC makes every effort to protect access to the tool from third parties. In this regard, it is very important that you take the necessary measures to adequately secure the devices you use to gain access, keep passwords secret and comply with the KBC security regulations and system requirements. Any abuse or suspicion of abuse must be reported immediately to KBC.

In principle, the tool is accessible around the clock, although KBC can limit or even close access for security or maintenance reasons of the application. Provision of the tool does not confer any intellectual property rights on the customer, except for a temporary, limited licence to use it for the purposes for which the tool was created.

KBC may at its sole discretion refuse access, including in the event of service termination, security risks or prolonged non-use of the application.

The tool is provided on an "as is" basis and KBC shall in no way be held responsible for any temporary unavailability of the tool, or the lack of up-to-date information that may be displayed.
